Seo é an armas a chruthaigh Rí Shasana, Henry VIII, do Éirinn i 1541

Conas do

Armas

féin a dhéanamh, spreagaithe ag

An Séipéal Ríoga, Caisleán Bhaile Átha Cliath

Bíonn siombailí agus fíoracha san armas a sheasann do do mhuintir

Smaoinigh ar na tréithe a dhéanann cur síos ar do mhuintir

Cuimhnigh ar na hainmhithe (ná déan dearmad ar do pheataí), na foirgnimh, agus na seoda atá tábhachtach duitse

An bhfuil mana nó nath cainte a thaithníonn leat?

An mana a bhí ag Muintir Wodehouse ná '*Strike Strong*' Féach ar an lámh agus an maide ar bharr.

Bhí meas ag Zetland ar an leon (siombail Shasana) agus bhí sé léirithe ar a sciath

Tá go leor siombailí ag Spencer ar a armas. Tá an cuma ar an bpíosa seo gur féinics atá ann.

Is léir gur thaithin muilte gaoithe leis na Houghtons, tá sé cinn dóibh ar a nArmas acu

*Ba iad na leasríthe na hionadaithe a bhí ag Coróin na Breataine in Éirinn ó 1172-1922

Seo iad na hábhair a d'úsáid mise:

Píosa mór chárta nó páipéar mar bhonn an Armais

Markers, criáin nó pinn luaidhe chun a bheith ag dathú

Páipéar bán/daite

Bata gliú
